

PAYG VoIP Plans

SPROUTTEL's 3CX VoIP Only Plan delivers a voice only solution which is delivered via your internet service.

You will be required to have appropriate hardware in either endpoints (IP Phones) or a SIP enabled PBX in order to use this service.

Service Availability

In some cases, due to unforeseen circumstances we are unable to provide services at your location. Please contact our business sales team on 1300 1 TELCO (83520) regarding availability at your location.

Early Termination Fees

Early termination of contract will result in cancellation fees totaling the sum of the remaining contract period.

Billing Information

Credit Card Surcharge

A credit card surcharge of 0.5% will apply per month for all credit card payments. If you wish to avoid this charge, please select the Direct Debit option.

Plan Changes

All SPROUTTEL (VoIP) Business Voice Call Service plans are contracted as per the minimum contract term stipulated in this document. If you are an existing SPROUTTEL customer and wants to change over to one of the new plans, please contact sales@SPROUTTEL.com or call **1300 1 TELCO (83520)**.

Billing Cycle

On the same day, each month, we'll bill you in advance the minimum monthly charge, as well as for any extra use during the past month. Important information about your first bill Your first bill may include pro rata charges for part of the month if you started or changed your plan part way through a billing period. This means your first bill will include your minimum monthly charge in advance and part of your minimum monthly charge based on the number of days left in the billing period. You'll receive a full month's data allowance.

Other charges

If one of our suppliers raises its prices in the future, this may result in the cost of your service increasing. We will let you know before this happens

Additional Information
